

The Clinton Foundation's impact would not be possible without the generous support of our donors and grantors. Their contributions and grants have made a difference in the lives of tens of millions across the world. As part of the Foundation's commitment to transparency, we publicly disclose those who support our efforts on a quarterly basis. This list is comprised of those who have made contributions or grants to advance the work of any part of the Clinton Foundation, as well as membership, sponsorship, and conference fees for the Clinton Global Initiative. This list indicates cumulative lifetime giving through September 2016.

Their generosity makes our work possible and we thank them.
